To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 06/24/2019.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

5	<b>Special Condition # 6:</b> You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** On June 24 and 25, 2019, Mr. Brown was in direct violation of special condition 6 by testing positive for marijuana.

On February 13, 2019, Nathaniel Brown was given a copy of his judgment and his conditions of supervision were explained to him. Mr. Brown signed his judgment reflecting he understood each condition.

Mr. Brown reported to Pioneer Human Services (PHS) for his assessment on June 24, 2019, at that time he submitted a urine sample that tested presumptive positive for marijuana. On June 25, 2019, Mr. Brown's phase urine collection color was called and he reported to PHS as directed. He again submitted a urine sample that tested presumptive positive for marijuana. Mr. Brown did not admit his use and stated his last use was on June 15, 2019.
